

April 2014

Sam Lyle Clinic

The Sam Lyle Clinic went really well with people coming from all over including Brisbane, Kingaroy, Dalby and Oakey. Very big thank you to Megan Drennan who organises these clinics every year and does a great job!

Hunter Trials

Despite the drizzle the Hunter Trials day went well. It was a great club day, relaxing and great schooling. Thanks to Ruth, Janet, Kathy, Kirsty, Sandra and Danae who helped get the course built then packed away at the end of the day.

Eventing Bits

Happy Mouth bits, as pictured, are not permitted i.e. wavy or rippled for the dressage phase of eventing. The wavy bit was taken out of 2014 Eventing Rules to be fully in line with the Dressage rules. Smooth happy mouth bits either straight bar or jointed snaffle are permitted.

Demonstration riders of all levels needed

EA are running a CE/SSTA update course on the 14 & 15th May. As part of this, we are seeking demonstration riders and coaches of all levels and disciplines.

For those riders who are enrolled in the EA NCAS system this is a perfect opportunity to have activity slips signed off FREE of charge.

Venue: Burpengary Equestrian Centre

If you are available to act as a demonstration rider or coach, please email Kathryn O'Donnell education@equestrian.org.au

Support the Australian Equestrian Team and your club could WIN

Leading into WEG, Equestrian Australia is running a series of initiatives to raise money for Australian based riders which are selected to attend the Games. A monster raffle offering everything from coaching sessions with elite squad riders, to signed memorabilia and VIP tickets to key sporting events, is one way that EA

is calling on supporters of the sport to get behind the team (read more about the monster raffle [HERE](#)).

As part of this raffle, anyone who purchases a ticket online will be allocated a 'horseshoe' which, during checkout, can be allocated to the club of their choice. At the conclusion of the raffle the club which receives the most horseshoes will receive the visit from members of the Australian team.

TDSJC is registered for this competition and we are in the running to host a training day involving members of the Australian Team for the 2014 World Equestrian Games.

Ground Use

If you wish to use the cross country you need to call or message Kerri Ryder 0428 446 681 to check that the course is available and she will advise the RAS that you are coming. Remember you **cannot** ride at the showgrounds on your own; you must have someone with you. The new sand arenas are not available for use.
