Lesley is especially keen to help real beginner eventers and newcomers to the sport. She will do special 45 cm classes and show riders how to walk a showjump course on the Saturday ,as part of their lesson with these riders to help establish their basics.

Format will be decided depending on numbers. That way we may group those 45 cm riders differently. They may need a bit more time to cover both.

Perhaps they do show jumping first for an hour then break while second group goes.

Please let us know if you want to be in the beginner group or if you just want a normal 1 ½ hour lesson with 3 in it.

Our condolences to Tina Hicks and her two sons. Her husband of 30 years, Allan died this month.

Tina and her family have always been great supporters of our club. She has been a loyal cross country steward for us for many years.

She has sent me the following:

It was a sad day for us on the 13th March when Allan sadly passed away. He was a pretty quiet person in letting people know what he did in his life. He was a very well known rodeo rider holding 3 Australian records and 2 Canadian championships. When he retired, he took up stock work on many large properties and this where I met him 30 yrs ago, when we worked on a newsplace in Armidale. Allan helped out with many pony clubs in the Toowoomba zone and Stanthorpe which he loved doing, he also helped out at Morgan Park events. He loved watching both boys jumping around the shows. He will be sadly missed by us all.
