

TOOWOOMBA JUMP CLUB NEWS October 2020

Congratulations to all members of our hard working OC for producing, once again, a wonderful successful October ODE.

Trudy Freeman—dressage judges

Mary Bates- dressage arenas (6 of them)

Joanne Emery- stables

Paula Lucas -catering

Jess Capek - showjumping

Jo Williams and Kathy Humphrey xc courses

Special thanks also to Averil Hawthorne for doing a great judging job all day, both days at showjumping and getting the cup boxes made and welded onto the trailer.

Anthony Freeman for all the work he did building or modifying jumps for Jo and Kathy the weeks before the event and then all the work he did during the weekend, crash crew, sector control etc and doing last minute requests by the TDs.

Paul Reedy for helping our club enormously with finding sponsors and Monique Searle who organised the Interschool part of the event. Jane Gollan was very pro active in procuring sponsors for the divided 65cm class and the OTT award.

Our club is also very grateful to EVQ and EQ for all the background work and help they gave us with the Covid planning, event planning etc. Jo and I were very happy with our courses and received great feedback and the fence analysis afterwards was great, just enough stops, no major problems.

We have emailed all riders asking them to contact a sponsor ,even if they didn't win, to thank them for supporting our club and also to send us event feedback, eg quality of arena surfaces, cross country jumps, variety, level of difficulty etc. we need feedback to keep up the process of continued improvement and offering Queensland riders a competitive edge.

Here are some photos of our event.

John Tod was busy in September remaking the ducks , replacing the paper mache with fibre glass, they looked ama

zing.

Everyone enjoyed the free drinks and nibbles to watch the 1,2,3,4* showjumping on Saturday. Guy Creighton did a great job with the courses and we all enjoyed watching. It was wonderful to see the crowd having beers and enjoying the 4 * showjumping.

Congratulations from all members to Trudy and Steve who got married in July in the depths of winter and Covid. Some of us managed to squeeze in a congratulatory cocktail with them before the wedding. Here are some beautiful photos from the wedding.

We know Trudy loves Steve but our club loves Steve too, he always offers to be a cross country steward!!!!!!!!!!!!!!

All of us extend love and best wishes to Cay Bentley who broke above her ankle when her horse shied at a hare. She is recuperating well, her husband Russell has become a great cook , bottle washer and horse handler. Go Russell!!!!!!!!!!!!!!

This is the ODE program from 1995. Averil Hawthorne wrote the program, rode and was the event organiser.
