SPONSORS

Were you lucky enough to win some money at the Australia Day Champs. If so, don't forget to thank your sponsor. Robyn Berman worked hard to obtain sponsorship for all you riders so make sure you ring or email the sponsor.

We are also looking for sponsors for our big ODE on 7th 8th March.

If you can help us out with names or contacts we are very grateful. We take product as well as cash.

Ambulance

Because of new rules for official and unofficial cross country we are having to book special CCP as well as normal paramedics for the Hunter Trial. This is approx. \$200/hour.

So PLEASE don't dawdle down to the cross country, we need to reduce the times of the booking as much as possible so they are not sitting around waiting for riders

The cross country will start with 80 cm horses time tba and 65 will be showjumping at 8am Sunday, try to follow the draw as much as possible
