

Hi members

A reminder that if you want a Ross Smith lesson, please contact me asap as it is filling.

It is Wed 20th and Thur 21st January.

\$65 for 35min private lesson for TJC members and \$85 for non members

It will be in the big sand arena so we will have a working bee on Thursday 14th at 3 pm to put up a course, then this will make up the Height day on Sunday 17th.

I need 2 members to go in early on Sunday morning and put the course down to 50 cm as it will be up for the clinic.

The numbers will be on the course and the start flags will be at the gate.

Ring me if you want a lesson, can help at working bees on Thurs or any other day or put the course to 50cm on Sunday morning before 7.30am.

Please pay before you ride or at least give your name at gate until the co Ordinator arrives.

Please help put up heights when you can

If you think you will be doing 1.2m perhaps you can put it all down to 50 cm when you finish

Use the QR code at the showground gate when you arrive. If you don't have a compatible phone, give your name to Robyn at the clubhouse.

Jan 14th,15th,16th 17th working bee days

Get your working bee levy done early in the year.

--brushes, paint, marking tape and rails will all be ready for painting, please all come and do 2-3 hours each and the rails will be finished

The paint etc will be out. We especially need the black and white rails done, but there are lots that need attention
