## **Dressage Co-ordinator required**

Unfortunately Ruth Burton, after many years of hard work for our club, has resigned as the dressage judge co-ordinator. We are very grateful for all the work she has done for our club.

We need a replacement

The job entails

Contacting judges from the official judges list and book them up for the 2 unofficial and 2 official ODEs each year. This is usually done months ahead. Kerri Ryder helped do it for our October FEI event and has already booked a few for March. She will help the new person do their job.

Also contact me with the judges names and qualifications 2-3 weeks out from the event, then we put the judges on the right rings when we have the draw sorted.

Meet and greet the judges on the day, this doesn't take long if you are riding or else get a friend to do this for you. Also our event secretary is there anyway

Paula Lucas usually makes them a nice lunch and smoko

Getting pencillers for each ring

Mary Bates does the actual organization of the rings and their set up with her team.

The co Ordinator gets free entries for that event and is part of a great team of co-ordinators
