Sponsors for our FEI event in October

Our OC would like to introduce Kylie Jackson who has come on board as a sponsor for our **FEI October event**

As a rider, competitor and overall horse enthusiast, Kylie became fascinated with the science of equine soundness and performance. This pursuit of knowledge ultimately led her to complete her Certificate in Equine Tissue Mobilisation and to continue with further studies, including Saddle Fit Assessment, Exercise Physiology and Photonic Therapy.

She has since turned her passion into her profession, having started an Equine Sports Therapy business in June 2019. She now applies her studies and experiences in EST to many horses for a variety of reasons, from rehabilitation through to performance management, and continues to be inspired by the results. Kylie services the Toowoomba, Lockyer Valley and Somerset regions and may be contacted on 0437 244 051 or via facebook - @kyliejacksonequinesportstherapy

Our next big event is our CCI's ODE on 5th,6th October. As it is an FEI event, it will be very expensive to run and so we need as many sponsors with either cash or vouchers we can find.

We had great support in April from local sponsors eg stainless steel manufacturer, EnFab, Armstrong Ford, Gatton lawyers, Emery Legal, and the Glennie school, also trade stands with Emcee equestrian apparel, Oz Shotz, Prydes and Saddleworld. We also had vouchers and cash from Ariat and Horse Zone who are back on board for October.

If you can find a sponsor or perhaps a company willing to donate feed or vouchers, please contact our club. Our treasurer, Paula Lucas has obtained \$200 in petrol vouchers to use as prizes at our October event, great news!!

We don't like asking the same sponsors to sponsor a class twice a year, so new faces and ideas would be good

Horsezone.com.au would like to offer your not-for-profit Equine Clubs or Associations a fundraising opportunity. We understand that one of the most significant challenges is attracting sponsorship... so how can we at **Horsezone.com.au** help?

Horsezone would like to offer 10% of a products listing fee as a contribution to your not-for-profit Equine Club or Association in the form of real sponsorship funding for all of your member placed listings...

How it works:

When a member of yours lists a horse for sale on **Horsezone.com.au** they will be presented at checkout with the option to have **Horsezone.com.au** contribute 10% of the total listing fee to your club or association. Your club will then receive the sponsorship money from Horsezone once the balance reaches \$200.
