

TJC September 2020 Club News

Thanks so much to EQ who partially funded our Gemma Creighton clinic at our August Hunter Trial. The clinic was very popular and we had lots of amazing positive feedback.

The Hunter Trial was the first eventing competition in Queensland post lock down. Congrats to all the committee who worked so hard to make it work and who helped with aerovating etc.

Remember the xc courses closes at 5 pm Friday 11th September.

Height day Sunday 13th Sept.

This is full with a waiting list. We are building the course on Thurs 10th sept. if you are riding you are expected to rail or gate steward for at least an hour. We will be doing a partial pick up of wings etc at the end, probably 3 pm so if you are in the bigger classes please help pack up, it should only take 30 mins.

Please use the nominate app when you come, the QR code is at the front gate and another in club house if you forget. Print out the HH dec at home and drop in the box at the clubhouse

Because our Height day on Sunday 13th September was full, with a waiting list and the Pittsworth showjumping weekend is also full, we have decided to run another height day.

on Saturday 26th September.

It is on nominate now.

We will build the course on Thursday 24th.

October 10th 11th ODE

We have lots of work to do and would appreciate members' help. It is a good way of getting your working bee levy work done.

Jo Williams and I are busy from now until 7th October working hard on redesigning our xc course for our October 10th 11th event which is also the Interschool State Championships. We have almost 200 entries already.

We are rock picking with a trailer, using the EQ aerovator, oil painting, painting, whippersnipping, trimming trees etc

Ring us if you can help. If only a weekend suits, we will be there Sunday 20th September and Saturday 3rd, Sunday 4th October.
