Sharnee Johnson, Dave and Robyn Berman's daughter and a long time member of our club, and her husband Scott, have just had the terrifying experience of having their son, Kye, diagnosed and treated for a brain tumour.

She and other parents are organising fund raisers to help children with cancer. We can help by going to this web site, reading what Sharnee and her family are enduring and make a donation. Please look at the link below

Toowoomba Chicken Run

Dressage & Showjumping Height day Sat 8th August Hunter trial Sunday 9th August 2020

This will be run with a Covid safe plan. And numbers will be restricted to the number allowed for groups as of August. There will be different areas of the showgrounds used for dressage and showjumping.

Entries will be open for TJC members on 4th July and for non TJC members on 11th July

Some people have been asking what the "Chicken" in the Chicken Run implies.

We run these ODE type events so that people can use them as a training run or a confidence booster. Each cross country jump is open flagged i.e. you can choose to jump the 1 star height down to the 60 cm height. Therefore, you may choose to jump the 80 cm height for fence 1, 95cm height for the water, then the 60 cm height for the ditch. (Chicken choice !) If you have 3 refusals, you are asked by the fence steward to move onto the next fence. You are eliminated but can finish doing the whole course, however we ask you keep to the lower end of the jump scale.

Normal Eventing rules apply to the wearing of safety gear & horse tack, along with refusals & penalties on course. Anyone who falls off will be eliminated & must be checked by the Medical team before remounting & riding in any other classes

The 1*(1.05) will be separately flagged, the 3 lower grades will be open flagged

Hope that explains it all. It is our main fund raiser for the year so we can continue to upgrade our course.

IT is important that each rider competes at a level at which they are deemed established.

1* riders need to be categorised or have 3 x 95cm MER's to jump any 1* jumps. the 1* course will be specifically flagged.
